INTRODUCTION

HOW TO READ YOUR RELATIONSHIP COMPATIBILITY REPORT

When two people are involved in a relationship, they get to know each other more deeply over time. At first, everything is wonderful and friction is rare. Then, as time goes by, you get to know other sides of your partner and, undoubtedly, discover some personality traits you don't like, and other traits you appreciate. The more time you spend together, the more you get to know each other. But even if you consider your relationship almost perfect, you will certainly experience at least some areas of possible friction.

The purpose of this report is to point out the different personality traits you possess, and how compatible they are. This report will help you identify those properties that are, at least to some extent, not compatible, and suggest how to prevent them from damaging, or dominating, your relationship.

It is important to also keep in mind that you may have some qualities that, although positive, are not compatible, but that negative traits are almost always a cause for friction. Therefore, you may find that this Relationship Compatibility Report is at times more critical and perhaps somewhat harsh - unlike most readings of this kind. If you feel uncomfortable with that, remember that this report was designed to throw light on those aspects in your charts that need to be understood and recognized, because if they are not, they can do a lot more damage than a few critical remarks in a reading.

Reese and Jake, you will probably encounter some texts such as: "The compatibility aspect in this area of the chart is already included in other parts of this report, offset by other conditions or redundant".

This is done in order to offer a perspective that is as well balanced and clear as possible, and repeating certain traits would place too much emphasis on them.

Master numbers are also handled somewhat different in a relationship compatibility report. They are reduced to their single digit values, because it is in the single digit's archetype that those personality traits are represented. If a number that appears in your chart is 11, 22, or 33, and the compatibility refers to the numbers 2, 4, and 6 respectively, this is not a typo but an indicator that the compatibility is based on the single-digit sum of your Master number.

You will also find that some numbers normally included in a personal numerology reading are not included in a relationship compatibility report. This is because the compatibility between two people is influenced much more strongly -- as much as

ninety-five percent -- by the core numbers, than by all the other numbers in the chart combined. In fact, the lesser numbers in the chart would only muddle the waters if analyzed in the context of a relationship compatibility report.

Reese and Jake, I hope you will enjoy your Compatibility Report and, more importantly, I hope you will find this reading to be beneficial to your relationship.

LIFE PATH

If ever there was a moment of total transformation, it was the moment of your birth. In that instant, you stepped through a door in time into a new reality -- the reality of human life. The most important number in your numerology chart is based on the date of your birth, the moment when the curtain goes up in your life.

Even at that moment, you were a person with your own unique character, as unique as your DNA. Everything that is you existed in potential, much like a play that is about to begin. Your entire life exists as a potential that has been prepared for. Reese, you have ultimate freedom to do with your life as you like: To fulfill its potential completely, or to make some smaller version of yourself. It all depends upon your effort and commitment. You make the decisions to fulfill, to whatever extent, the potential life that exists within you. That is your choice. In this sense, the possible you is implicit during the moment of your birth.

The Life Path number gives us a broad outline of the opportunities, challenges, and lessons we will encounter in this lifetime. Your Life path is the road you are traveling. It reveals the opportunities and challenges you will face in life. Your Life Path number is the single most important information available in your Personality Chart!

Reese, your Life Path is 30/3

You possess a great talent for creativity and self expression. Many writers, poets, actors and musicians are born under the 3 Life Path. Reese, you are witty, possess a gift for gab, and savor the limelight. Your talent for the expressive arts is so abundant that you may well have felt drawn to becoming an artist while still very young. Your artistic abilities can only be developed, however, through discipline and commitment to the true development of your talent. Commitment, concentration and hard work are the only means of bringing forth your talent. Thanks to your gift for self expression, you can be the life of the party, and the center of attention. However, you could easily squander your talent by becoming a social butterfly. Your creativity is the gift that can give you the comfort and luxury you desire, but not without continual focus and discipline. You are optimistic and possess the resilience to overcome many setbacks. You are socially active,

popular, and inspire people with your sunny "happy go lucky" attitude. Reese, you can be generous to a fault. Many people born under the 3 Life Path have difficulty handling money because they can be disorganized and not particularly serious about their responsibilities. You are emotional and vulnerable. When hurt, you withdraw into a cloud of silence, eventually emerging from your reticence with jokes and laughter that cover up your true feelings. You can become moody and cynical when depressed. You can succumb to sarcastic remarks, which can be painful to those around you. When used positively, your talent for self-expression can be a great inspiration force in the world, uplifting others, and bringing much success and happiness to you.

Jake, your Life Path is 13/4

Jake, you are practical, down to earth with strong ideas about right and wrong. You are orderly and organized, systematic and controlled, you are decisive and methodical employing a step by step rational approach to problems solving. Once committed you do not give up easily!

You are not one for "get rich quick" schemes. Rather you use hard work and long hours to build a business or career; you seek to establish a solid foundation. Precise, tenacious and persevering, you have great potential for success, but only after putting out effort and overcoming the limitations you so often encounter. Justice and honesty are sacred to you. You are reliable and dependable, a cornerstone in the community.

Though not an idealist, you are willing to work for a better world in a realistic way. However, you can be rigid in your ideas and sometimes too quick in judging your fellow man. You are loyal to those you love and work well with others. It is important that while being part of a team you have your own responsibility and well-defined task, you perform better when your responsibilities are not overlapping with those of others. You have to be careful not to be bossy and rude. You possess rare discipline and perseverance and not everyone can keep up with you.

Jake, you can handle money carefully and like the security of a nest egg.

Your love of work often leads you into a career early in life. Because of your methodical nature you can easily become rigid and stuck in convention. You can also be overly cautious when changes are necessary, this can cause you to miss opportunities that present themselves. You must cultivate flexibility in your character. You are well suited for marriage and often become a responsible loving parent. However, anything that violates your profound sense of order, such as separation or divorce can be a shattering experience for you. You easily become obsessed and even vengeful, seeking your own definition of justice.

You are courageous and a true survivor. You are a builder and the foundation of any enterprise. Your hard work and practical, traditional values pay off to provide

you with the rewards you seek and deserve.

Jake, your 13 Life Path is somewhat burdened by the presence of a Karmic Debt.

Those with the 13 Karmic Debt will work very hard to accomplish any task. Obstacles stand in their way, and must be overcome time and again. One may often feel burdened and frustrated by the seeming futility of one's efforts there may be a desire to surrender to the difficulties and simply give up on the goal, believing it was impossible to attain in the first place. Some with the 13 Karmic Debt fall to laziness and negativity. But efforts are not futile, and success is well within reach. One simply must work hard, and persevere in order to reach the goal. Many highly successful people in all walks of life, including business, art, and athletics, have a 13 Karmic Debt.

The key to succeeding with the 13 is focus. Very often, people with the 13 Karmic Debt do not concentrate or direct their energies in one specific direction, or on a single task, but scatter their energies over many projects and jobs, none of which amount to very much. A temptation with the 13 is to take shortcuts for quick success. Too often, that easy success doesn't come, causing regret and the desire to give up. The result is a poor self-image, and the belief that one is incapable of amounting to very much.

In order to focus, you must maintain order in your life. Order is essential to success. You must maintain a schedule, keep appointments, and follow through. Keep your environment neat and under control, and never procrastinate. If you sustain a steady and consistent effort, you will realize much reward.

Your Life Path's compatibility is 3 and 4

Reese and Jake, your Life Path numbers are the most important numbers in your charts, and, as such, their compatibility is very important to the well-being of your relationship.

This is both a very promising as well as a very difficult combination. Reese reveals a fun-loving, optimistic side, a creative, playful, perhaps even childlike nature. Reese demonstrates to have faith in life and is confident that things will work out, no matter what. In addition, Reese has a natural, intuitive talent to go with the flow and escape pitfalls almost effortlessly. Jake, on the other hand, is much more grounded, practical, and has a hands-on approach to life. Jake feels that discipline and focus, responsibility, dependability and duty are the requirements to create a life of comfort and contentment. From one perspective, this makes for a nicely balanced relationship. Reese's approach works for

Reese . Jake has seen the fruits of effort and discipline and knows there is safety in having at least some control. As long as life doesn't throw a monkey wrench in your situation, this can be a harmonious, very satisfying relationship.

But when life becomes a challenge, when problems - especially practical, material, worldly problems - come up, Reese and Jake, this combination of three and four is one of the least prepared to deal with it. Reese , you may well start resenting Jake for taking such a hard, grab-the-bull-by-the-horns approach, since Jake is not the type of person who backs away and watches things fall apart. In addition, it is important that you bear in mind that we are talking about problems that did not arise between you, from your relationship, but from outside, issues like a shortage of money, the loss of a job, an expensive illness, or some other unfortunate shift.

Jake will be tempted to look at Reese and question the amount of effort and sacrifice Reese is investing during this difficult time. Blame will feed resentment and anger, and soon, instead of forming a combined front to overcome the obstacle, you will turn against each other.

When that happens, Reese and Jake, you will need to step back and realize that, although you may not understand what motivates your partner to respond so differently from what you believe is the correct and required approach, you should not judge. Reese , you may not believe that Jake makes any sense. You may well feel that all that effort is misdirected, perhaps even detrimental to a positive outcome, but Jake needs that effort. Jake needs to feel that there is some control.

On the other hand, Jake may blame Reese for not doing enough, which may be true. On the surface, Reese may seem to be backing away from the problem. Reese does not focus on the issue itself as much as on whatever is needed to make it go away, or, at least, to make it bearable. Reese will bring in the optimism and the motivation to go on. Reese will point to the light at the end of the tunnel, no matter how tiny or seemingly far away, and when everyone else is ready to give up, Reese will bring in the much needed energy and get you back on your feet. Reese is invaluable during such a time. And that, too, takes effort. So, just remember that, although difficult, yours is also a very promising combination, and the key to making the most of it lies on not trying to judge each other, but on combining your many individual qualities.

EXPRESSION

Your Expression number reveals your physical and mental constitution, the orientation or goal of your life. Some numerologists refer to this number as the Destiny, because it represents a lifelong target at which you are aiming. You work at fulfilling this potential every day of your life. Thus, the Expression number reveals your inner goal, the person you aim to be.

The Expression number reveals the talents, abilities, and shortcomings that were with you when you entered your human body. Your name, and the numbers derived from it, reveals your development, as well as the talents and issues you will be working with during this life.

For those for whom reincarnation is an accepted philosophy, the vibration of your full name can be seen as the totality of your personal evolution, the experiences, talents, and wisdom accumulated over many life times. Every experience, no matter how great or small, along this evolutionary path has influenced your development, and brought you to your current state of being.

The Expression is your being; the Life Path is the major lesson you are attempting to learn this time around. Time allows the gradual emergence of your personality. By reading the Expression number below, you will come to understand your basic nature and the abilities and issues inherent in your being.

Reese , your Expression is 27/9

Reese , you are the humanitarian. You are attracted to a cause or a movement whose purpose is to make a better world. You are extremely idealistic, sometimes to the point of being naive about people or methods. You have great compassion and seek to create a more humane society. You are drawn to those who suffer physically or are at the hand of injustice. You are the righter of wrongs. Your deepest intention is to transform the world.

You are willing to sacrifice in order to advance your cause. Indeed, this seems to be a theme in your life. From time to time, you find yourself involved in a project whose very life depends upon your willingness to sacrifice something that relates directly to your ego.

You are highly idealistic. You are also a visionary, with the ability to influence and direct the masses. Deep inside, you long for the love and approval of the many, and seek fame.

Part of your hunger for fame has to do with your need for validation; you are your own harshest critic.

Reese , you realize your greatest satisfaction when you are involved in some activity that directly benefits the public good. Politics, law, protection of the environment, teaching, and healing are areas in which you would succeed.

You have a broad view of humanity and are not shackled with prejudice. You should have friends and associates from all walks of life, all colors and religious backgrounds. People fascinate and enrich you. A wide diversity of people and experiences stimulate and bring forth qualities within you that would otherwise lay dormant.

You have an abundance of artistic talent. Many with your Expression number find themselves in the arts, especially in literature, painting, and the visual and

performing arts.

The number 9 indicates the completion of a cycle or a block of learning. The 9 Expression suggests that you have reached the point where a breakthrough can occur; during this lifetime you can apply all that you have learned along your evolutionary path and complete a major stage in your development. This is why we find many geniuses with the 9 Expression.

You have the ability to synthesize many diverse bits of knowledge into a unified whole.

Reese, your appearance is important. You are keenly aware of how others perceive you. As a result, others see you as a person with a great deal of control. Conversely, you are charismatic. Despite the cool and distant personality you project, people are attracted to you.

You tend to express your love somewhat impersonally. You tend to be preoccupied with your vision or cause, and sometimes overlook the needs of those closest to you. You need to be reminded to give your love more personally and more openly. Ironically, you are a very loving and sincere person, but often neglect to express what you truly feel.

In the same way, you can overlook your own needs. You can avoid sharing of your deeper feelings, creating a reservoir of emotion. You tend to postpone your personal satisfaction in favor of some larger work. Try to be more spontaneous and courageous about showing your real self, including your vulnerability.

Your basic belief in the goodness of humanity is unshakable. This causes you to encourage the best in people, but occasionally makes you vulnerable to being taken advantage of. You are not a very good judge of character.

The surest way to personal satisfaction is for you to become part of some larger social cause. Your nature is to serve. You are happiest when you feel you are helping to advance the human race.

Jake, your Expression is 16/7

Jake, you are gifted with an analytical mind and an enormous appetite for the answers to life's hidden questions. You have a strong interest in exploring scientific matters, philosophy, and even mysticism. You possess clarity and persistence in your search for truth. You can be a great researcher, educator, and philosopher.

You are driven by a desire for knowledge and truth. You must learn to discriminate between illusion and reality, but you are well equipped for this task. Your fine mind offers you insight into the veiled mysteries of life. You also possess a considerable amount of perspective. Somewhere inside you, you are aware of a peaceful place that you call upon during difficult times.

Jake, you need time to be by yourself. Too much social interaction causes you stress. You need your privacy and a place that can be shut off from the hustle

and bustle of life. You tend to keep your thoughts to yourself and are secretive. Unless your 7 expression is balanced by extrovert characteristics (usually revealed by the numbers 1, 3, 5, and 8), your introversion may pull you deeply within yourself, even cutting you off from others.

You have a strong dislike of the superficial and mundane. You are often surprised by the lack of understanding or depth of knowledge of others, many of whom do not take the search for knowledge as seriously as you do. This can cause you to be critical of others, and even cynical about life in general.

The more cut off from others you become, the more hidden are your motives. Once you develop understanding of people and life, your advice and counsel will be sought by those around you who need your wisdom.

You love to specialize your knowledge and develop great depth within your field. You are a perfectionist.

You should complete your studies early in life and not be driven too hard by a desire to be successful. Let things come at their own pace, be open to opportunity, but remember your rewards, satisfaction, and contentment come from a higher source.

Sevens can be distant and aloof. When dominated by their darker characteristics, they can be unfaithful, dishonest, and cruel. Contemplation, meditation, and the softer, finer vibrations of life can restore your sense of harmony and keep you on the path to peace and balance.

Jake, you have a logical mind. Your analytical skills cause you to approach a problem in a detached, surgical kind of way. Researchers, analysts, investigators, inventors, technicians, scholars, lawyers, bankers, watchmakers, priests, philosophers, theologians, and administrators in some scientific or technical field are among the vocations 7s are drawn to.

Your Expression's compatibility is 9 and 7

More than any other number in your chart, your Expression number reflects who you are as a person. Earlier, you read about the Life Path number and how important that number is in your chart. However, the Life Path number reflects "the path you walk on," and should be seen more as a powerful influence than as a part of your personality makeup. Your Expression number on the other hand, reflects a deeper part of you. It is more difficult to overcome possible negative traits you may have recognized in yourself when they are found in this part of the chart, than when they are found under the Life Path description.

It can't be emphasized too much how important it is to realize that numbers in different areas of the chart affect you differently, even when it is the same number. Sometimes, you may read something that seems to directly contradict earlier statements. Yet, if you take the time to think about them carefully, you will

probably recognize that you, as a human being, are extremely complex and full of the same contradictions. This is simply the way we are. You may be organized in one area of your life, while chaos rules in another area. You may be tactful and sensitive in one setting, and direct and confrontational in another situation.

Jake and Reese , the seven and the nine usually get along fine, as long as too much interaction is not required. Although compatible in some areas, they are not that interested in each other's issues. If you imagine the seven and the nine as two archetypes forced to spend some time together in a social event, you might see them politely chatting about superficial stuff for a couple of minutes, then lapse into extended silence. However, there is no dislike, the issue here is simply a lack of interest.

Jake and Reese , although the numbers in this part of your charts add no particular excitement and energy to your relationship, on the plus side we find that they rarely cause any kind of discordance.

Religion is one of the few areas where the seven and the nine tend to be incompatible. Reese thrives on faith and has the intuitive understanding that all things are in balance. This understanding is also the reason why Reese may occasionally experience completely unexpected financial windfalls in the form of an inheritance or some other stroke of luck. Jake, on the other hand, needs to be able to recognize logic and does not accept anything at face value. Jake questions everything and religious belief, at least as reflected by the seven in this part of the chart, is alien to Jake's intellectual quest for understanding.

Sometimes, this can turn Jake into a skeptic, even cynical, which goes against the faith of the nine.

Your completely different taste may well generate other areas of conflict. Jake might enjoy life in a great metropolis, while a cozy chalet up on a hill in the countryside would be like Paradise for Reese . But one thing is for sure: when it comes to deciding colors and objects for your home, the nine is unquestionably better suited.

HEART'S DESIRE

Your Heart's Desire is the inner you. It shows your underlying urge, your true motivation. It reveals the general intention behind many of your actions. Consequently, it dramatically influences the choices you make in life. The Heart's desire is seen as part of the larger picture, called the core numbers, which includes the Life Path, Expression, Day you were born, and Personality. But each points to a different aspect of you.

The Expression number reveals your talents and abilities, and your general direction in life. The Life Path is the central lesson you came into the world to learn. The Day you were born is very closely connected to your Life Path. It

reveals specific talents you possess, which will be helpful to you in dealing with your Life Path. The Personality reveals how people tend to see you. It also demonstrates what characteristics you are projecting to the world. The Heart's Desire demonstrates the identity of the soul that joined the earth -- you, the spiritual being.

Reese , your Heart's Desire is 25/7

Reese , you love knowledge, study, and insight. You value the gifts of your mind, which you use to great advantage to penetrate the mysteries of life. You study things in-depth. You search beneath the surface of things. You abhor shallow judgments or opinions.

You have a natural gift for analysis and research. Once you have grasped the facts of a subject, your creativity and abstract approach lifts your thinking beyond the rudimentary to the philosophical. You have a theoretical mind, but rather than indulge in fantasies or idle thought, you prefer to base your theories upon scientific facts.

Reese , you enjoy mental and physical puzzles -- figuring them out, taking them apart, and putting them back together.

Some people may perceive you as cool or aloof. You are somewhat introverted; you may feel slightly removed and even a little different. The fantasy of the hermit or monk engaged in a life of study and meditation appeals to you.

In relationships, you tend to keep things business-like and impersonal. You prefer to talk about the facts of a given situation, rather than the cloudier issues of emotions and personal feelings. You distrust feelings -- both your own and those of others. The whole emotional realm strikes you as unreliable, and a bit unnecessary.

Reese , your inability to fully understand the emotional aspect of life is your Achilles heel. You are so rational that the unpredictability of the heart frightens and surprises you.

Your challenge is to trust. You need to share your heart with someone. This is a courageous step for you, but will result in enormous growth and satisfaction.

The advice here is to make a true connection with another human being. Without it, you may marry out of convenience or to fulfill social expectations, but it will not lead you out of loneliness. The more removed you are from people, the more you risk isolation, bitterness, and a cynical attitude toward life.

This choice represents a true crossroads in your development. By sharing yourself with others (without compromising your independence and need for privacy) you can cultivate your enormous charm and share your understanding of life. You are a natural teacher and advisor. And the wealth of knowledge you will accumulate in life is meant to be shared with others.

This is not to say that you must compromise on your need for privacy or time

spent alone to contemplate life. These are natural aspects of your personality, which are essential to your growth. These characteristics should not be threatening to your spouse, but must be understood as fundamental to your being.

Reese , you are blessed with a great reserve of intuition, which can be cultivated by regular meditation and contemplation. Your "inner voice" is your greatest guide and friend.

You are idealistic and have high expectations for yourself. Learn to balance your serious nature with regular doses of fun.

Your intelligence and cultivation make you charming and distinguished in appearance. As you get older and more comfortable with your identity, people are naturally attracted to you. They see your wisdom, your deep understanding of life, and the refinement you radiate.

Jake, your Heart's Desire is 18/9

Jake, you want to be of service to the world. Your deepest satisfaction comes from knowing that you have advanced the cause of humanity.

Your ideals are of the highest order. You are a perfectionist. You strive to make the world a utopia; to make each person's lot in life better; to become perfect yourself. One of your challenges in life is to strive toward your lofty goals and at the same time recognize the good you are doing.

You like and are fascinated by people from all walks of life. Human nature is a lifelong study for you. You are highly intuitive, but not an especially good judge of character. You are a bit naive, as well, thinking perhaps that all people have the same values as you.

You dream of having the resources to immediately relieve the suffering of others, whether it is economic, physical, or psychological.

You are gifted with a good mind and a great deal of wisdom, which makes you a natural teacher, counselor, or healer.

As much as you desire to be of service to others, you also crave fame and the approval of the masses. Much of the energy you expend in life is directed toward putting yourself before an audience, most often as a salesperson whose product provides some social good; as a philanthropist; or an artist.

Jake, you are attracted to the arts as a vocation, especially as an actor, photographer, or writer. But whatever your profession, any involvement in the arts, even as a hobby, will provide you with a deep and lasting satisfaction.

Secretly, you dream of having a big impact on the world. Others may see this as egotism, especially when you are still young. But your concern for others is genuine. You must apply yourself in this direction in order to become psychologically whole and personally satisfied.

Your vision is on the crowds of people, which can cause you to overlook the

needs of those closest to you. You need personal love as well, but have a tendency to put your needs in the background. Still, you are a loving person, and only need to be reminded to direct and demonstrate that love to those nearby. If, however, you are focused exclusively on the masses, people will perceive you as distant and a bit aloof.

You are emotional, and sensitive. You can also be moody and critical. You have high expectations for yourself and others. This can cause you much anger when your expectations are unfulfilled. One of your most important life lessons is to forgive.

Because you are striving hard to attain high ideals, you may think of yourself as superior to others. Arrogance is a trap many 9s fall into. The danger is that arrogance cuts you off from the thing you love the most: people.

Jake, your happiness and contentment are therefore highly dependent on the ease with which you are able to serve and influence mankind.

It is the paradox of your Heart's Desire that you receive by giving. Both your material success and spiritual satisfaction are made possible through service and sacrifice to others.

Your Heart's Desire's compatibility is 7 and 9

Compatibility of the Heart's Desire numbers is very important in a relationship - few relationships last beyond the initial stage if the Heart's Desire numbers are not compatible.

Reese and Jake, as you may have noticed, the numbers that define the compatibility of your Heart's Desire are identical to the numbers found under your Expression's compatibility - with the important difference that in this part of the chart, Reese has Jake's number and Jake has Reese's number.

What this means, is that the qualities described in the section under Expression apply here too, but the attributes recognized as belonging to Reese now also fit Jake and vice versa. And in equal measures. This is somewhat uncommon and the result is difficult, if not impossible, to predict. To use an analogy, you might say that the Expression reveals that Reese brings blue into the relationship, and Jake adds yellow. The result is green. At the same time, the Heart's Desire shows that in this part of the chart Jake contributes the blue and Reese adds yellow. Again, the end product is green. Now you have twice the green, with each of you bringing in similar attributes in equal amounts.

Read the compatibility section under the Expression again, but this time replace Reese with Jake and Jake with Reese. In addition, all the qualities and traits, positive as well as negative, described in the compatibility section of the

Expression should be given considerably more weight.

When two people have a "reversed recurrence" of numbers, such as appears in your compatibility chart, Reese and Jake, the effect tends to be either very good or very bad. There is no middle ground. All the qualities are intensified; the positive as well as the negative. Keys to maintaining a positive relationship therefore are your ability to compromise and to be tactful at all times. And most importantly, to avoid stressful confrontations through awareness and sensitivity.

PERSONALITY

Your Personality number is derived from the consonants of your full name at birth. Your Personality is like a narrow entrance hall to the great room that is your true nature. It is those aspects that you feel comfortable sharing with people at the outset of a relationship. With time and trust, you invite others into the deeper aspects of your nature; you reveal more of who you really are, in effect, your Heart's Desire, Expression, and so on.

Your Personality number often serves as a censoring device, both in terms of what you send out, as well as what you allow to approach. It discriminates in the kinds of people and information you let enter your heart and mind. For this reason, your Personality is usually much more narrow and protective in its definition than the real you. It can screen out some of what you do not want to deal with -- people or situations -- but it also welcomes those things that immediately relate to your inner nature.

Your Personality number also indicates how others perceive you. No one can be objective about himself or herself. Even our closest friends and relatives have trouble describing how they see us.

Reese , your Personality is 11/2

Reese , you appear friendly and unpretentious. You have a soft and warm exterior. Others perceive you as gentle, safe harbor. People are drawn to you because, among other reasons, you appear warm and unthreatening.

Your dress is neat and clean. Reese , your clothing should be comfortable, soft, and flowing. You should avoid plain and understated clothes. Make an effort to be a little more daring and exciting in your appearance. This will balance nicely with your perceptive and open personality.

The opposite sex is attracted to your gentle and attentive nature, yet senses the passion beneath your surface. You have sex appeal.

Exercise is important to your appearance and to promote the level of strength you radiate.

You are very patient and understanding, and a wonderful listener. You make

others feel important and loved.

You are sensitive and become tense in a disharmonious atmosphere. You have experienced quite a bit of negative criticism as a child, which made you shy growing up. Though you may be well past that shyness, a bit of the vulnerability has remained with you and is often sensed by others.

Reese, you are a peacemaker. Arguments leave you drained. People sense your desire for harmony. But you must avoid being the blank tablet for others' projections. People may underestimate your strength, but this is a mistake. You are strong. You bend, but don't break.

You have a fine sense of beauty and excellent taste. There is a grace in your movements, reflecting your keen sense of harmony and refinement.

Jake, your Personality is 25/7

Jake, you seem mysterious and different. People see you as serious and studious. You are highly independent and self-sufficient. Your exceptional intelligence and wisdom are quickly noticed, people respect you. You are not one to attract people on the basis of your warmth or compassion -- though you may be loaded with both -- but because of your obvious insight into life's mysteries.

You are hard to get to know. You are often withdrawn. It is common for people to see your focus turn inside of yourself in the middle of a conversation.

You have the makings of an intellectual and an aristocrat but you have to guard against arrogance and an attitude of, "I've got it all figured out".

There have been periods in your life when you had little concern for your clothing or fashion, while at other times you are very aware of your clothing and use it to make a specific impression.

You appear dignified no matter how you dress, but a well-groomed seven with a touch of dash definitely has an advantage. Your confidence increases when you know you are well-dressed.

Jake, you are recognized as spiritual and religious, with your very own ideas regarding the purpose of life and the Creator.

You are an inspired speaker, but only when discussing subjects that really interest you. Otherwise, you are not one for chatter.

Your love of knowledge and wisdom shows.

Your Personality's compatibility is 2 and 7

Quickly recognized when two people first meet, not many relationships even get started unless the Personality numbers are compatible.

In this combination of numbers, intuition meets intelligence, sensitivity meets clinical research, and the heart meets the mind. It would be a challenge to find

two more different archetypes than this. Reese and Jake, yours is a unique relationship. Rarely do two such different numbers express even the slightest bit of interest in each other. But, when they do, the partnership is worth every effort. Almost certainly, you met under strange circumstances, perhaps a situation where you were both out of your usual environment, and, most likely, Reese reached out to Jake.

Once these two completely different numbers come close enough, the result is often an exchange of energy that welds the relationship for life.

The dangers and pitfalls possible in this combination are generally experienced right at the beginning of the relationship. They are numerous and include the inability to relate to the other person's way of thinking, feeling, and expressing. Reese's love is soft and gentle, idealistic and romantic, emotional and innocently childlike. Jake's love is like a precious jewel; it requires a lot to earn it. Wisdom and knowledge, spiritual understanding and an ageless quality strengthen Jake's love. At the onset of the relationship, this was the big hurdle to overcome. Jake does not trust love that comes so easily. On the other hand, Reese simply cannot understand why someone would not just respond. After all, what is more natural than love?

Sometimes, a relationship with this combination of numbers occurs after the partners have known each other for many years, when levels of trust and understanding have been achieved before either one of them thought about romance. So, a romance born on such solid foundations and balanced by pure emotions on one side and wisdom and spiritual understanding on the other can't but succeed.

So, be that as it may, once other number combinations bring these two opposite archetypes together into this unique relationship, it takes a hurricane to destroy their bond.

PERSONAL YEARS

Your Personal Year number is a strong indication of the trends and circumstances you will experience during the year ahead. Your Personal Year cycles are based on the Universal Year cycles and therefore run concurrent with the calendar year. Transit and Essence cycles are based on the letters of your name and run from birth date to birth date.

There are nine personal year numbers, which makes up a complete Epicycle. Each Epicycle reveals the progression or evolution of a specific part of your growth. Reese, your progress along this Epicycle can be seen very logically, from the infancy or beginning of a growth period in your life, to the conclusion or culmination of that process. The 1 personal year indicates your first steps in a new direction. The years that follow indicate your progress along this path, concluding with your 9 Personal Year, which completes the cycle. Below is a

description of your current Personal Year. It indicates where you are on the 9 year Epicycle.

The Personal Years form the building steps that mark your progress through life.

Reese , your Personal Year for 2007 is 7

Reese , you will experience a strong tendency to spend more time alone, to delve inside and find some answers and to reach a better understanding of yourself. This is not a year for social activities nor is it a year to try and reach goals on a material level. You will find that the necessities of daily life seem to be taken care of by themselves. There is no need to be overly concerned regarding your material needs. Without slacking on your daily duties and responsibilities, you can afford to give more attention to yourself. This is a year for inner growth. It is your spiritual and mental presence that requires attention. Improve the quality of your life, read, contemplate and gain insight in yourself. You are important now. Rest and attend to your health. It is during this year that you strengthen the foundation of your life, after all your success in all matters rests upon the strength of your inner self. There will be many strange and unusual events inspiring you to take a closer look at life and an opportunity is there to experience the joy and beauty of life without any artificial or exterior involvement but purely the growing awareness of yourself. To much concern and desire for material rewards, Reese , will turn this period of your life into a very bad experience indeed, while a "let go and let god " attitude will make this such a fruitful and pleasant year that you may find yourself wondering what you did to deserve this.

Jake, your Personal Year for 2007 is 4

This is a year to be organized and practical. Take care of details. Commit yourself entirely to your goals.

Jake, your concentration and ability to focus will be much improved over last year. You will have an attitude of realism and determination.

There can be a sense of limitation and some frustration this year. However, it is a year of important opportunities that must be seized. There can be considerable work-related travel.

You must be flexible this year to make full use of the opportunities that present themselves. It will require a combination of perseverance, hard work, and versatility.

You will receive recognition for your efforts and support from your friends and family.

It is a good year to buy real estate or remodel your home. It is also a good time to take care of projects which have been postponed for to long.

Fulfill your obligations and do not be afraid to spend some of that hard earned money. Selling and trading during this year usually is quite successful.

This is the year to work on your foundation and prepare yourself for the many changes that will undoubtedly come next year.

As a result of your hard work, there will be much satisfaction and a feeling of accomplishment.

January and February will bring some important change, a new opportunity perhaps. March requires self-reflection and reshaping of your plans. It is a good time to meditate on what lies ahead. June brings a new and important step -- a breakthrough, perhaps -- in your work. October brings changes and a sense of chaos. Jake, you may feel threatened by the changes that are on the horizon. But November brings assistance in the form of a promotion or additional financial support.

Your Personal Year's compatibility for 2007 is 7 and 4

Compatibility is as important with the cycles as it is with character traits. It is possible for a relationship between two people with otherwise very compatible charts to break down as a result of encountering one or more incompatible cycles. However, it is much easier to overcome or avoid possible pitfalls resulting from incompatible cycles than from incompatible personality traits.

Jake and Reese , partners often find themselves distancing from each other during the combination of cycles you are presently going through. You may find that this also applies to you. However, this is not a result of lessened interest in each other, but of the fact that your cycles are focused in different directions. For Jake, this is a time of grounding and dealing with mundane and practical matters, often experienced as frustrating and boring. For Reese , this is a time of inner search, daydreaming, and quiet contemplation, a time of doubts and questions, and a time of learning about the self. So, it is not difficult to see how the influence of your cycles can create some distance and a lack of communication. Keep in mind that this is not per se a negative development, as long as you don't try too hard to force yourself into your partner's world.

Reese , your Personal Year for 2008 is 8

After last year's constant involvement with yourself and very possible occasional doubts about the state of your business or career you will find this year to be a relief, Reese . Things finally work out. Long postponed checks and promotions come through. You see the light at the end of your financial tunnel and an inner strength and confidence is breaking through. This is your year of harvest and, depending on the effort you put out in the past seven years, your

reward will be equally large. There is a beauty in these cycles we can recognize and understand and in doing so we find ourselves "in the flow" and there is no more need to try and struggle upstream. So this year you will have an opportunity to involve yourself fully in work and material growth and bring home the rewards, at the same time a certain detachment is also necessary, for you and for the experience you have because it is not the reward that brings you happiness but your experience of life, which is why before the rewarding eight year you have had such opportunity for growth during the soul-searching of a seven year. Give in to your ambitions, you will find yourself more clear and focused and able to pursue and reach your goals. Reese, your power is visible and strong, mental creativity is high, vision and intuition will guide you, and at the same time you are more efficient and focused. There can be loss, serious loss, bankruptcy and failure, because always the rewards are directly proportionate to your effort and motivation, however you know the effort you put out and you know your motivations, so there must be no room for fear and doubt, only for success and winning and this year will undoubtedly turn out to be a very satisfying year.

Jake, your Personal Year for 2008 is 5

This is a year of dynamic change, Jake. Many surprises will come your way. Be open and ready to embrace new opportunities.

Do not be overly careful this year. This is a year in which a major step forward can take place if you are willing to take some calculated risks and do a little gambling. Wisdom and prudence is the key, but you will definitely be faced with choices that require fast action and a willingness to act before all the facts are in.

This is an exciting year in which you will be required to promote yourself in order to take full advantage of the opportunities that await you.

There will be increased opportunity to travel and possibly a change of residence.

You may be tempted by the desires of the flesh: too much food, alcohol, sex, and drugs. Be careful and discriminate. You could make mistakes in these areas.

You will have some unexpected adventures and lucky breaks this year.

This can be an unsettling year if you try to cling to outmoded methods or characteristics. This a year to throw off the old and adopt the new. It is a rebirth and a release after last year's struggle.

This is a year in which change takes place consistently, and particularly so in April and May. July is a breakthrough, a time to enjoy life. September can be intense, while October requires tact and balance in relationships.

Your Personal Year's compatibility for 2008 is 8 and 5

When it rains, it pours, Jake and Reese . This is a time when neither one of you will find it easy to keep up with your partner. Jake has a lot going on, juggling more balls than usual. Reese is experiencing strong ambitions and visions of what can be accomplished and how many opportunities there really are. With very different energies currently influencing you, Jake and Reese , there is not much room to sit down and simply enjoy each other's company. That's okay, though, because you will get plenty of that in the next cycle, when you both shift your focus towards family, friends, and each other.

Jake, your cycle brings a lot of change, but it will take time to sort it all out, and several other cycles will go by before you will be able to see clearly the lasting effect of these changes. Reese , your cycle may, in the end, put your next goal or goals sharply in focus. It could be said that Jake's energy is like molecules bouncing all over the place, establishing boundaries and discovering space, while Reese 's is more sharply focused on a particular point.

The most common mistake couples in this combination of cycles make, is to try to make each other see the world through each other's eyes. The only result will be frustration and mutual limiting of potential if you go that route. This is a time when you have to allow each other to do exactly what each of you wants to do, without having to explain too much or to account for your actions.

Reese , your Personal Year for 2009 is 9

This is your year to finish up all unfinished business, Reese , to clean house and make room for new things. On a material level this is a good time to get rid of unnecessary weight, to give away or sell what you do not need anymore and to pay off old debts. On a spiritual level you will experience a different mode altogether. Your attention should turn to others and their needs, find ways to be of help and give time and energy to worthwhile causes. You must lighten your burden of questions and doubts and the best way to do so is by directing your attention to another direction, away from yourself and you will find yourself becoming lighter and more in touch with your self. This is a time of completion, problems can be solved and over with, strained relationships relax or disappear, the sources of stress in work or business can be better understood and dealt with. Be social and communicative, enjoy music and other arts. Reese , your creativity is higher than usual. There can be some difficulties this year due to your desire to face obstacles and overcome them, decisions have to be taken and courage and strength may be severely tested several times, this is not going to be an easy year all the time but you will feel relieved and on the brink of a positive breakthrough by the end of this year. This is the end of a nine year epicycle and will you will feel many times the excitement of a new and promising era when optimism is your friend but you will also experience the fear of letting go, however the more you let go the more room there is to be filled during the next

epicycle.

Jake, your Personal Year for 2009 is 6

This is a year of progress and financial advancement, Jake. Major career opportunities present themselves. It is a challenging year in which personal growth is joined with new responsibilities and challenges.

This is a year of domestic responsibility and attention to the needs of family and friends. It is a time of heart felt emotions and some sacrifice. It is a time for comforting and caring.

You realize the importance of your place within your community. You will be called upon to help others bear their burdens. You are the proverbial friend in need.

Jake, you must work to create an atmosphere of harmony and balance. It is often a time when marital issues surface and need attention. However, you possess the understanding to deal with such issues effectively if you apply yourself with love and flexibility.

These deep feelings bring renewal to relationships and often a birth in the family.

May is an emotional month filled with the promise and the stress of imminent changes. June is a breakthrough and a relief. September brings advancement, October self- reflection and readjustments, and December brings a sense of completion and fulfillment.

Your Personal Year's compatibility for 2009 is 9 and 6

Strange as it seems, this is considered a very compatible combination of cycles precisely because this is a difficult and emotional time for Reese .

Jake is more devoted and committed to the relationship during this period and that is exactly what Reese needs; tender loving care and strong commitment. Reese may well feel that the world is crumbling, or that expectations have not been met. Mood swings and doubts can play havoc with a person's life during a nine period. Jake, on the other hand, is more stable and will be happy to be in a position to offer comfort and strength. Reese , you may find yourself relying heavily on Jake, in particular on an emotional and spiritual level.

Much will depend on Jake's ability to offer support and comfort, but an important and positive ingredient Reese brings in, is moments of clarity and enhanced perspective, born from an urgency to understand what is going on and where to go next. When it comes to examining the future, the goals and expectations you share, and what is needed to reach these goals, Reese can be a source of inspiration. After all, it is when we feel as if the rug is being pulled from under our

feet that we realize what we need to do to survive. Like adrenaline for the soul, the moments of fear and anxiety Reese may experience, are also the moments we can see clearly what we need to do and how we need to do it.

PERSONAL MONTHS

Reese , your Personal Month for October 2007 is 8

Reese , October is an 8 Personal Month in a 7 Personal Year. It brings reward and recognition. Often, this is a very good month for all matters related to career, business, and finances. You reap the rewards of what you sowed in the past seven years. (Next year offers even greater rewards than this month.) October gives you the opportunity to peak into the near future because it represents a small scale sample of what next year will bring. The eight cycle is a rewarding time, but there are two important sides to the way it is delivered.

On one hand, it is directly proportionate to the effort you have put out in the past. On the other, you receive exactly what you need to continue on your path. For that reason, you would do well keeping a close eye on your finances, especially to protect yourself from any shortfalls next year. Financial gain is much more common this month (and in the 8 Personal Year). In any case, this is a time to be aggressive in all matters relating to career and finances.

Jake, your Personal Month for October 2007 is 5

Jake, October is a 5 Personal Month in a 4 Personal Year. It brings opportunity and change. You may be asked to go on a trip related to work or business. This trip is unexpected but will bring very positive results. Another possibility is that you are offered a transfer and promotion. Either way, there will be changes in your environment.

Now is the time to take some chances, to promote your self unabashed, and to reach out to other possible sources of income. If you are in sales or business, this is one of the most promising times of your life. If your work is more service-oriented, you may receive a long-awaited promotion.

Friends and family members are supportive. Romance is exciting. This is a dynamic month in all respects and will wipe away the frustrations of last month. However, a warning is in place: You may have a tendency to make impulsive decisions, to be a little irresponsible, and to put your foot in your mouth. This hectic and dynamic month brings with it some chaos, and restraint is needed in order to maintain some control over the events.

Your Personal Month's compatibility for October 2007 is 8 and 5

Relationship compatibility of Personal Month cycles can have a powerful effect. But keep in mind: the cycle is short. So, if you run into turmoil, it helps to remember that it is in the nature of a cycle to be only temporary.

Note: The compatibility between cycles is repetitive, as is the nature of cycles. While the influence of Personal Month cycles represented by the same number, can vary greatly depending on the yearly cycle, the compatibility aspect changes very little. You will therefore find that the compatibility description is the same when, for example, a 3 and 4 Personal Month combination is found in a 5 year, as when it is found in a 6 year.

Therefore, you will find that the possible influence of your Personal Month cycles never repeats itself within any one-hundred-and-eight-month period. However, the compatibility aspect repeats much more often - generally every nine months - but sometimes even less than that, depending on your Personal Year cycle.

When it rains, it pours, Jake and Reese . This is a time when neither one of you will find it easy to keep up with your partner. Jake has a lot going on, juggling more balls than usual. Reese is experiencing strong ambitions and visions of what can be accomplished and how many opportunities there really are. With very different energies currently influencing you, Jake and Reese , there is not much room to sit down and simply enjoy each other's company. That's okay, though, because you will get plenty of that in the next cycle, when you both shift your focus towards family, friends, and each other.

Jake, your cycle brings a lot of change, but it will take time to sort it all out, and several other cycles will go by before you will be able to see clearly the lasting effect of these changes. Reese , your cycle may, in the end, put your next goal or goals sharply in focus. It could be said that Jake's energy is like molecules bouncing all over the place, establishing boundaries and discovering space, while Reese 's is more sharply focused on a particular point.

The most common mistake couples in this combination of cycles make, is to try to make each other see the world through each other's eyes. The only result will be frustration and mutual limiting of potential if you go that route. This is a time when you have to allow each other to do exactly what each of you wants to do, without having to explain too much or to account for your actions.

Reese , your Personal Month for November 2007 is 9

Reese , November is a 9 Personal Month in a 7 Personal Year. Your heightened inner awareness and the long inner growth-process you've been working on this year now reach a kind of completion this month in the form of realizations and insights that in turn improve your self-confidence and faith in the

future.

At the same time, this is a period marked by emotional ups and downs as you are releasing old concepts, responsibilities, and relationships that you've outgrown.

You are doing some inner-house cleaning which reflects in work as well as personal life.

Your career may seem somewhat stagnant. You are looking for new opportunities and challenges, but not much will be forthcoming until late this month or early next month. Reese, you should take it slow; perhaps even take some time off for rest.

There will be an opportunity for you to become involved with a good cause, which will prove both personally and professionally rewarding. In the long run, it may even help you financially.

As for money matters, this is not a good time to take chances or spend money on major purchases.

Some of your relationships with friends and relatives are being put to the test. You have grown and changed over the past year and may be a little out of touch with some of the people with whom you were close. In addition, you have become more discriminating about whom you wish to spend time with.

Sometimes, the 9 Personal Month brings a personal loss. You may have to let go of an old relationship or even someone you regard as a teacher. Romance is also in a make or break period. If the relationship has real substance, there will be some emotional turmoil but the bond will only become stronger.

If the relationship isn't strong, this will become very clear and cause a permanent break.

Jake, your Personal Month for November 2007 is 6

Jake, November is a 6 Personal Month in a 4 Personal Year. It offers the chance to strengthen your foundation in life. You pay close attention to the needs of your family and circle of friends. You are serious and responsible in all matters related to career and receive recognition and respect for that.

Financially, this could be a good month with an unexpected reward coming sometime during the last week. In many ways, this month brings blessings and can be very satisfying.

Your workload is considerable but doesn't burden you as much as it did during other times of this year. You have the energy and feel confident that you are now moving in the right direction. Feelings of insecurity and frustration that loomed so prominently during most of this year are disappearing. Jake, your friends and family members display strong signs of loyalty and feelings are expressed more freely. One or more of your friends or relatives needs a boost and comes to you

for help. You are happy with the opportunity to help out in a practical way as well as with moral support. You play the role of (m)patriarch.

The only troubling experience during this month will be the need to deal diplomatically and tactfully with a long-standing problem, perhaps with someone at work. A basic personality conflict has been the cause of friction between you and a co-worker, and this can no longer be ignored. Tension will come to a head but there is an opportunity to turn a difficult relationship into one of tolerance and mutual respect.

Your Personal Month's compatibility for November 2007 is 9 and 6

Strange as it seems, this is considered a very compatible combination of cycles precisely because this is a difficult and emotional time for Reese . Jake is more devoted and committed to the relationship during this period and that is exactly what Reese needs; tender loving care and strong commitment. Reese may well feel that the world is crumbling, or that expectations have not been met. Mood swings and doubts can play havoc with a person's life during a nine period. Jake, on the other hand, is more stable and will be happy to be in a position to offer comfort and strength. Reese , you may find yourself relying heavily on Jake, in particular on an emotional and spiritual level.

Much will depend on Jake's ability to offer support and comfort, but an important and positive ingredient Reese brings in, is moments of clarity and enhanced perspective, born from an urgency to understand what is going on and where to go next. When it comes to examining the future, the goals and expectations you share, and what is needed to reach these goals, Reese can be a source of inspiration. After all, it is when we feel as if the rug is being pulled from under our feet that we realize what we need to do to survive. Like adrenaline for the soul, the moments of fear and anxiety Reese may experience, are also the moments we can see clearly what we need to do and how we need to do it.

Reese , your Personal Month for December 2007 is 1

Reese , December is a 1 Personal Month in a 7 Personal Year. It brings renewed energy and enthusiasm. Your career makes a big step forward. There is financial reward, promotion, and possibly a transfer that brings a welcome change. You will be introduced to someone or several people who are important for your career and can positively influence your future.

While this month brings you and your relatives and friends closer together, the feelings are also intensified and your relationship with some of these people is in a very fragile state. There may be some outbursts of long suppressed feelings

that have to be dealt with.

Relationships of all kinds -- family, friends, and co-workers -- tend to be somewhat unstable during this time.

If you are single, romance may become an important ingredient of this month's experience. Reese, you may meet someone new and this person will be an intellectual and spiritual challenge.

The attraction will be based less on physical appearance than on curiosity: there are profound differences between you in point of view and lifestyle, which is fascinating on some level. You learn from this person and, like looking into a mirror, you discover a lot about yourself and the changes that have taken place on a very deep level during the course of this year.

Jake, your Personal Month for December 2007 is 7

Jake, December is a 7 Personal Month in a 4 Personal Year. It's a fitting end for this year. You now enter a period of introspection, contemplation, and meditation, similar to that experience in March. December focuses you on inner-growth and soul-searching. However, that is where the similarities end.

December is a much more comfortable time for such an inward-journey and expansion of your consciousness. There will be plenty of opportunity to withdraw, to seek the quiet. Whether you enjoy this time depends on whether you value such an experience.

This has been a year of hard work and, at times, frustration, but the work will pay off. You are now more aware of that, and even that the year was well-spent.

Understanding the value of day-dreaming and contemplation is more difficult as a result of this society's emphasize on action and result. However, the quiet, "un-productive" times of this month will be at least as rewarding, spiritually as well as practically. It allows for deep inner-contentment and a fuller awareness of the love and goodwill of others.

Only the 4 Personal Year closes with such a beautiful and fitting counter-balance to a difficult and busy year.

Your Personal Month's compatibility for December 2007 is 1 and 7

The challenge in the relationship between these two cycles is to maintain the feeling of belonging. There are big differences between the way the one cycle and the seven cycles affect you, Reese and Jake, but one thing they have in common is that both cycles increase the awareness of independence and individuality. In other words, Reese and Jake, both of you will kind of feel your selves distancing from the relationship, which is not per se bad. In fact, it may add to the longevity of your relationship. However, if your expectations are that you will spend a lot of time together, share everything, and that nothing will

change, your expectations will not be met.

The wise thing to do is to accept the fact that you will move apart somewhat during this period. It is temporary and necessary for your personal growth.

Reese , you should focus on your career and goals. For Jake, the focus is more inward, towards spiritual and mental growth. Jake is going through a period of self-discovery and needs time alone. Reese has opportunities for progress and needs to take advantage of that. As you can see, your individual needs demand that you pay less attention to your partner and more to your selves. This may make you feel as if the relationship were weakening. That is not the case, unless you turn it into an issue. If you simply accept the fact that your partner's attention is focused elsewhere, you will find that this period offers growth to both of you as individuals, and does not do that at the cost of the relationship.

Reese , your Personal Month for January 2008 is 9

Reese , January is a 9 Personal Month in an 8 Personal Year. It marks a period of completion. You have gone through a spiritual growth cycle that resulted in a better understanding of yourself. You have gained much insight.

Now you are entering a time when spiritual understanding must merge with the practical and material side of life. You are moving from a 7 Personal Year, which was dominated by spiritual growth, into an 8 Personal Year, which is focused on the material aspects of your life. This may throw you a little off balance. The year begins with some confusion and self-doubt.

Often, there is financial stress. You need to apply yourself to your career and other worldly matters. This is the year of harvesting your rewards, but before that happens, you need to prepare yourself, to regain your footing.

Now you must become more aggressive and ambitious. January requires effort. It also requires a letting go of outdated and outgrown concepts, habits, and relationships.

For that reason, January tends to be emotional and somewhat insecure. However, you will soon pick up momentum, and your personal power increases.

Romantic and love-relationships experience some stresses. Reese , you are somewhat distant and aloof, which may make your partner feel left out. Spend some time reassuring your mate.

Jake, your Personal Month for January 2008 is 6

Jake, January is a 6 Personal Month in a 5 Personal Year. All during this month the focus is on your attitude towards friends, co-workers, and family members. You are in a position to improve relationships in all areas. You are warm-hearted and more outgoing than usual. Others are attracted to your optimistic disposition

and several people close to you will come to you for advice and comfort.

The month may bring a turbulent new relationship into your life. The initial introduction may start off a little awkward, even cause some friction. You will need to be tolerant and understanding. Even if you feel sure that your point of view is correct, a hardheaded, stubborn approach is not beneficial.

On the contrary, the true purpose of this conflict is an opportunity for you to reach out and earn the appreciation and respect of this person by freely demonstrating your own.

Other, more practical changes are also in the picture. Many will make changes in their office, residence, or work routine.

Jake, you may get some strong signals that your career may receive a boost in the very near future, which only buoys your optimism.

If you are single, this is an excellent month to be social and meet new people.

Your Personal Month's compatibility for January 2008 is 9 and 6

Strange as it seems, this is considered a very compatible combination of cycles precisely because this is a difficult and emotional time for Reese .

Jake is more devoted and committed to the relationship during this period and that is exactly what Reese needs; tender loving care and strong commitment. Reese may well feel that the world is crumbling, or that expectations have not been met. Mood swings and doubts can play havoc with a person's life during a nine period. Jake, on the other hand, is more stable and will be happy to be in a position to offer comfort and strength. Reese , you may find yourself relying heavily on Jake, in particular on an emotional and spiritual level.

Much will depend on Jake's ability to offer support and comfort, but an important and positive ingredient Reese brings in, is moments of clarity and enhanced perspective, born from an urgency to understand what is going on and where to go next. When it comes to examining the future, the goals and expectations you share, and what is needed to reach these goals, Reese can be a source of inspiration. After all, it is when we feel as if the rug is being pulled from under our feet that we realize what we need to do to survive. Like adrenaline for the soul, the moments of fear and anxiety Reese may experience, are also the moments we can see clearly what we need to do and how we need to do it.

Reese , your Personal Month for February 2008 is 1

Reese , February is a 1 Personal Month in an 8 Personal Year. Now things begin to speed up. Unlike last month, you now feel full of energy and enthusiasm. In fact, you're impatient to start new projects, and must guard against impulsive

decisions.

Your career and financial affairs are the areas of your life that require the most attention. There are great opportunities as well as potential dangers. This is the year marked by opposites: times when everything seems to go your way, and other times when it seems the rug has been pulled out from under you. February gives the first indication of what this year will bring but, more important, it challenges you to put your best foot forward, to show what you are made of.

The month may begin with a challenge. You may have to confront one of your biggest fears, which is followed by an opportunity to put that fear to rest once and for all. Courage, determination, and inner strength are the needed ingredients that will make this a successful month and a profitable year. The year can be characterized by the old carrot-and-stick metaphor: February reveals the carrot -- the prize you can obtain -- but it also shows the pitfalls and dangers; in short, the stick.

Relationships are favorable in all areas of your life. Co-workers show support, friends tell you how much they admire you, relatives make it clear they have confidence in you, and your lover makes you feel you deserve the best.

Jake, your Personal Month for February 2008 is 7

Jake, February is a 7 Personal Month in a 5 Personal Year and finds you more inwardly focused. Self-reflection and contemplation bring spiritual clarity and growth. At the same time, your career improves and you manage to impress important people. Doors that have been closed open and offer access to opportunities. Financially, this month may also show some progress but the emphasize is more on opportunities and your ability to take advantage of them.

Warnings are justified in two areas. Your dynamism and excitement may cause you to be somewhat insensitive at times. Also, you would rather plan and discuss future endeavors than to put forth the effort required to take full advantage of current opportunities.

Key-words to make this month a success are caution and discipline.

If you are married or otherwise committed, you may feel a little distant from your partner. This is temporary and does not require any special attention. If you are single, romance is not a high priority.

Minor health problems that have not been treated may come to the foreground. This is a good month to apply discipline to your eating habits and to step-up your exercise regimen.

Your Personal Month's compatibility for February 2008 is 1 and 7

The challenge in the relationship between these two cycles is to maintain the

feeling of belonging. There are big differences between the way the one cycle and the seven cycles affect you, Reese and Jake, but one thing they have in common is that both cycles increase the awareness of independence and individuality. In other words, Reese and Jake, both of you will kind of feel your selves distancing from the relationship, which is not per se bad. In fact, it may add to the longevity of your relationship. However, if your expectations are that you will spend a lot of time together, share everything, and that nothing will change, your expectations will not be met.

The wise thing to do is to accept the fact that you will move apart somewhat during this period. It is temporary and necessary for your personal growth. Reese, you should focus on your career and goals. For Jake, the focus is more inward, towards spiritual and mental growth. Jake is going through a period of self-discovery and needs time alone. Reese has opportunities for progress and needs to take advantage of that. As you can see, your individual needs demand that you pay less attention to your partner and more to your selves. This may make you feel as if the relationship were weakening. That is not the case, unless you turn it into an issue. If you simply accept the fact that your partner's attention is focused elsewhere, you will find that this period offers growth to both of you as individuals, and does not do that at the cost of the relationship.

Reese, your Personal Month for March 2008 is 2

Reese, March is a 2 Personal Month in an 8 Personal Year. The month demonstrates how you can sometimes make more progress and be more successful by staying in the background than by forcing the issue. March gives you ample opportunity to influence others, to make them listen to your ideas, even to inspire them to do things your way. You are tactful and sensitive, yet also driven and motivated. You find better ways to handle challenging situations.

Later this month, you gain respect and recognition and will find yourself taking on a leadership role. Your authority is impressive because you balance force and strength with diplomacy and tact.

Romance is favorable and, if you are single, you may meet someone through work or a business meeting who will touch your heart.

Jake, your Personal Month for March 2008 is 8

Jake, March is an 8 Personal Month in a 5 Personal Year. It is a time to be careful in all financial matters. Issues involving money take center stage. More people go bankrupt or make a killing during this period than with almost any other number combination. Now, especially, you are required to balance the material and the spiritual. If you are considering a major purchase that involves long-range financing -- such as buying a house or a car -- but you question whether you can

fulfill the obligation, you would do well to wait until the second half of May before acting.

The worlds of work and personal relationships require opposite approaches this month. A certain amount of aggression in career and business matters is favorable. Promote your ideas.

Put out effort. Work harder and longer than is required. On the other hand, your personal life requires patience and understanding -- both of others and yourself. You may want to clear the air between you and a loved one, but you have difficulty overcoming your fear of being misunderstood. Or perhaps you are not clear about what you feel. Try putting your thoughts on paper first to achieve a higher degree of clarity.

Your Personal Month's compatibility for March 2008 is 2 and 8

Reese and Jake, this is a difficult combination of cycles. Your priorities are not aligned. For Reese, the relationship and all matters of the heart are important at this time. Emotional turmoil is right around the corner. And it won't take much to turn that corner. More sensitive than usual and vulnerable to criticism, perceived neglect, and lack of attention, Reese may be quite demanding in that regard. For Jake, the relationship takes second, or perhaps third place at this time. Jake's focal point is everything around the relationship. From friends to career, and from family to finances, Jake wants to heal and improve everything that surrounds and sustains the relationship, but in the process may not pay much attention to you, Reese.

In addition, Jake may feel that Reese does not carry enough weight, when in fact Reese's energies are simply directed elsewhere. As you can see, this combination of cycles offers opportunities galore for misunderstandings and disagreements. It is likely that you will experience some rough spots, but it is also likely that at the end of this period you have both brought something to the relationship; Jake will manage to make improvements in areas outside the relationship while Reese will strengthen the relationship on a deeper level.

Reese, your Personal Month for April 2008 is 3

Reese, April is a 3 Personal Month in an 8 Personal Year. The events inspire creativity and optimism, as well as a need for flexibility and adaptability. Sometimes, the early part of an 8 Personal Year brings financial challenges and problems. If this is the case, April is the most challenging time of the year.

It is a testing time that forces you to confront your lifestyle and your priorities. With the right adjustments, you can put yourself on sounder financial ground.

The month also encourages a certain detachment from trying to control financial matters too much. Once you stop controlling matters too much, your

spiritual understanding of life really pays off in a practical and applicable way.

Last year's opportunities to contemplate and search for insight -- which may have seemed unproductive at times -- now prove to be your best defense on the battle ground of material progress. You are being forced to achieve a balance between the spiritual and the material, especially this month.

In any case, April will reveal to you how capable you are of doing that. Be generous but don't waste money. Focus on getting things done, but don't let financial reward be your only motivation. Introduce creativity and a playful attitude to the job at hand. And most important; don't let temporary setbacks ruin your ambition. This is a time to reach out, not to suppress.

Romance and relationships continue to be favorable. Social events bring new people. Reese , your self-expression and sense of humor improve, and it is easy to make new friends during this time.

Jake, your Personal Month for April 2008 is 9

Jake, April is a 9 Personal Month in a 5 Personal Year. It brings a certain amount of completion in both your personal life and career. It is time to let go and prepare for new adventures. It is necessary to keep a close eye on the details, particularly those related to your finances. Check your bank balance regularly and make sure you save the receipts for deposits and other transactions.

There are indications of up-coming changes in your work environment; you are in the unique position to move to the spotlight. Self-promotion is favorable. You are a little more emotional and vulnerable and may have a tendency to make mountains out of molehills, however.

Someone you care about is leaving, being transferred, or going on a long trip.

Social events make this a hectic month and a certain amount of moderation and discipline is needed.

Your Personal Month's compatibility for April 2008 is 3 and 9

Reese and Jake, this combination of cycles is quite compatible and it often gives birth to new ideas and plans for the future. You are both experiencing a time of enhanced creativity. You may plan to remodel the house, buy new furniture, or otherwise change and improve the environment you share.

Jake, however, is also experiencing a challenging time of powerful emotions. Jake is on shaky ground and needs a stable environment as well as Reese 's support and confidence. Reese is more upbeat and optimistic than usual and can be a much-needed source of comfort for Jake. Although this does not look like an ideal situation to make changes such as planning a remodel or buying new furniture, it is in the making of such plans and the creative process that Jake's need to feel secure is enforced.

Reese should be aware that Jake is not as grounded as usual right now and some patience may be prudent. For Jake, this is a time of choice and decisions - but on a deep, even subconscious level. Nothing is clear. Nothing is simple. During this combination of cycles much depends on Reese's ability to be a source of strength and comfort for Jake. Reese and Jake, the nine-cycle is always the most challenging time for anyone, while the three-cycle is considered one of the easiest and most pleasurable. For that reason, you are lucky to have this combination whereby Reese, with the three-cycle, can support Jake during the time the nine dominates.

Reese, your Personal Month for May 2008 is 4

Reese, May is a 4 Personal Month in an 8 Personal Year. It is a time of hard work, progress, and opportunity. As with most of this year, the focus in May is on career and finances. There may well be a great opportunity that comes your way. This opportunity offers all kinds of changes, such as a move of residence (either in June, or in or around November), a change of employer, or a promotion.

The early part of May can be frustrating due to the need to involve yourself with routine affairs and details. You have some catching up to do. You may feel restless and bored. However, later this month brings the opportunity you have been waiting for. You are more organized and manage your time well.

You are dependable and anxious to take care of some long-postponed chores. You may decide to start a remodeling project on your house. Your relationships are more harmonious.

If you are involved in a long-term love relationship, you will find that comfort and security replace some old doubts.

Jake, your Personal Month for May 2008 is 1

Jake, May is a 1 Personal Month in a 5 Personal Year. It brings a sense of freshness or a new beginning in your personal life and career. You are more energetic and decisive than last month; this will help you cope with the hectic pace this month brings. This is a time of opportunity and the need to adapt quickly. You have been selected to play an important role in some new endeavor. This is an opportunity to move your career forward but it requires courage and the willingness to sacrifice some short-term goals.

Financially, this is a dangerous time because of the tendency to splurge.

If you are single, you may well be introduced to someone very interesting and attractive. If married, romance is rekindled. Still, new romantic relationships started under this number combination tend to burn out quickly. The attraction is physical and immediate, but may falter as soon as it is put to the test. Even if you are already committed you may well find yourself eye to eye with someone very

attractive, in which case you may have to show considerable restraint in order to avoid a situation you may later regret.

Your Personal Month's compatibility for May 2008 is 4 and 1

Jake and Reese , as a rule of thumb, the one-and-four combination, when found in this part of the progressive chart, is not compatible. Although both cycles represent strong drive and motivation, as well as a need to apply and put forth effort, they express it very differently. Jake, you are motivated in large part by enthusiasm, dreams, hope and a can-do attitude. Reese , your drive is born from frustration and the feeling that you need to break out of a shell that has for too long limited and restricted you. Your frustration may become worse before it gets better, Reese , and your challenge is not to let it vent itself towards the people you love and care for. The four cycle is never an easy one, but, in the end, it invariably brings progress and a breakthrough of some kind. So, Reese , have faith in that and just keep going.

Jake, don't get impatient with Reese 's doubts and frustration. Remember that this is a time of opportunity for you, and that is what you should go for. Just focus on your goals.

Reese , your Personal Month for June 2008 is 5

Reese , June is a 5 Personal Month in an 8 Personal Years. It brings changes and unexpected events. There isn't much use in planning too much this month, because much will happen unexpectedly. This is a hectic and dynamic month. Go with the flow; be flexible; and trust your instinct.

If you are able to adapt to the unpredictable events of this month, your experience will be exciting and adventurous, and quite possibly profitable. However, if you insist stubbornly to stick to your plans and expectations, you will be disappointed.

You are in a position to show your special talents and abilities to people who can be influential in your career.

You are able to think on your feet and your reflexes are sharp. This time is particularly good for those who are in retail, real estate, or some other business that's based on sales and closing deals. Financial gains are often considerable.

Travel is possible and favorable. This is also a good time to move, or change your environment in some way.

Romance is very exciting and, if you are single, you will have to hide out to keep from meeting someone. People gravitate to you and the opposite sex is more than usually attracted to you.

Jake, your Personal Month for June 2008 is 2

Jake, June is a 2 Personal Month in a 5 Personal Year and it enhances your insight into the motivations and emotions of others. You play the role of counselor several times this month. Your intuitive powers are also enhanced, but this does not extend to money matters. It's not a good time to take financial risks.

There are changes taking place in many areas of your life this year, and the general instability is felt strongly this month.

Study and reading are more favorable, especially when related to your career. The focus is on relationships at work and at home. You need to trust others enough to open up your heart and reveal your deeper feelings. This is a good time to release some bottled-up feelings.

Romance also plays an important role this month, particularly if you are involved in a relationship that originated fairly recent. Jake, your enhanced sensitivity and intuition helps you to see the deeper meanings and values, which make the relationship stronger or....cause a permanent break. A critical issue here, is your ability to express your true feelings. Communicate!

An unexpected invitation to visit a friend or relative in some distant town may inspire you to pack your backs and go. This will turn out to be beneficial.

Your Personal Month's compatibility for June 2008 is 5 and 2

Jake and Reese , the 2 and the 5 get along fine in many ways; they happily play together, love together, and enjoy each others company. At least as long as everything is in harmony. However, the moment they hit a bump in the road, the results can be disastrous.

Therefore, the trick is to avoid bumps in the road as much as possible. Strange as it sounds, this is a good time to stay on the surface, not dig too deep.

For Jake, the enhanced emotional vulnerability typical of a 2 cycle opens the door to possible negative feelings that are out of proportion with what is really going on. A minor criticism can become a major source of discontent for Jake. At the same time, Reese is not as aware as usual; more impulsive, and quicker to say something without much consideration for the feelings of others. Reese 's mind is more active and less restrained. It is important for both of you to take each others remarks, especially those spoken in the heat of the moment, with a big dose of salt. Neither one of you is particularly good at expressing yourself accurately, or true to your real nature, during this time. Reese is too quick and impulsive, Jake is too sensitive and emotional. It will help you to keep this in mind and allow each other some leeway during this time.

Reese , your Personal Month for July 2008 is 6

Reese , July is a 6 Personal Month in an 8 Personal Year. It is an excellent time for business and financial affairs. Respect and recognition for past efforts is followed by financial gain or promotion. You are in a position to ask and receive what you believe to be your due. However, you may find that you are not as diplomatic as you might be. This is your most challenging weakness during this month. Guard against arrogance. Your responsibilities increase possibly as a result of a promotion.

Family affairs, friendships, and romance also move to the foreground and are rewarding and healing. You will be asked to sacrifice some of your time and energy to a younger person or someone who is old or sick. You feel closer to the people around you and you want to be there for them.

Somewhat contradicting to this show of warmth and affection is the lack of tact and sensitivity you may display a number of times during this month. Reese , you may be too intent on forcing people to see life as you do, rather than allowing them their own perspectives and their own rates of growth.

The later part of this month brings changes that arise from a chance meeting at a social event. This change may be based on a romantic encounter, and may affect your living situation.

An unexpected travel is also a possibility.

Jake, your Personal Month for July 2008 is 3

Jake, July is a 3 Personal Month in a 5 Personal Year. Money matters come to the foreground; debts are called in and close attention should be paid to your bank account.

Your ability to influence the ideas and opinions of others works in your favor and may create a new source of income.

This is also a good time to promote yourself. If you have considered upgrading your resume or trying out for that new position you have been considering, now is the time to do it.

A career change is also possible as a result of outside forces. You are more creative.

You feel somewhat restless and impulsive and are willing to take risks for the sole reason that you need a change. There is a tendency to be somewhat scattered and even a little irresponsible during this cycle.

Jake, your domestic environment also becomes a source of restlessness and you may have to guard against irrational behavior from your side. At the same time, you reach out to old friends and relatives you have not been in touch with for some time.

Your emotional state is a little turbulent causing you to be moody. Try to maintain equilibrium. This is a month to be somewhat detached from the events and circumstances surrounding your life. Don't take yourself too serious, and, if

possible, take some time off for a vacation. It's a good time to recharge your batteries.

Your Personal Month's compatibility for July 2008 is 6 and 3

Jake and Reese , this is a time of strong feelings for both of you. Although inspired by different motives, you are drawn to each other and feel closer than usual. For Jake, this is in part the result of seeing more clearly the importance of everything not related to career or finances: family, friends, social activities, and so forth. For Reese , the driving force right now is simply the heart. For both of you, the priorities shift somewhat towards the joy of living, towards things away from the daily grind.

A possible danger lies in the fact that Reese needs more attention than usual during this time, while Jake requires less attention and would rather devote more time to people and activities outside the relationship.

Reese , your Personal Month for August 2008 is 7

Reese , August is a 7 Personal Month in an 8 Personal Year. The emphasis changes from outgoing to inward seeking. You are more serious now and self-reflective. You question the wisdom of some of your decisions and choices made during the past ten to twelve months. You keep to yourself, and are generally less social.

You are engrossed in your work and feel a need to do a better job. Your desire for perfectionism is strongly enhanced, which results in self-criticism and impatience with others. At the root of this change in attitude is a spiritual need for clarity and understanding. You want more security, both internally, as well as in your more worldly roles. Reese , you would do well spending some time alone for contemplation and meditation. In this respect, August stands out during this otherwise "material" year.

Family and friends take a backseat during this period. There are strong feelings connected to your relationships with your loved ones, but these are experienced and expressed more subtly.

Romance becomes more serious. You share mental, spiritual, and emotional experiences on the deepest level. There is no room for superficial exchanges. Your relationship with the person you are attracted to intensifies and becomes stronger as a result.

Jake, your Personal Month for August 2008 is 4

Jake, August is a 4 Personal Month in a 5 Personal Year. Your career may be

demanding and a bit frustrating. You need to attend to routine matters, some of which may be boring. This is not a time to slack. Don't procrastinate. Commit to your responsibilities and see projects through to completion.

This month could bring a welcome opportunity on the job front, but your success will depend upon your willingness to stand up for yourself, to take charge of circumstances, and refuse to be victimized by outside events. You need the courage to stand up for your beliefs, to "do the right thing."

Make important changes in your life. Such as start a diet and/or exercise regimen, quit smoking, dedicate yourself to a good cause, and reconnect to your higher spiritual values. This is the month to make fundamental and positive long-term changes in your life.

It's important to demonstrate to those around you that you are dependable and can be relied upon. This affects both your work and love life. You will impress all of those around you with your sense of duty and trustworthiness.

Your Personal Month's compatibility for August 2008 is 7 and 4

Jake and Reese , partners often find themselves distancing from each other during the combination of cycles you are presently going through. You may find that this also applies to you. However, this is not a result of lessened interest in each other, but of the fact that your cycles are focused in different directions. For Jake, this is a time of grounding and dealing with mundane and practical matters, often experienced as frustrating and boring. For Reese , this is a time of inner search, daydreaming, and quiet contemplation, a time of doubts and questions, and a time of learning about the self. So, it is not difficult to see how the influence of your cycles can create some distance and a lack of communication. Keep in mind that this is not per se a negative development, as long as you don't try too hard to force yourself into your partner's world.

Reese , your Personal Month for September 2008 is 8

Reese , September is an 8 Personal Month in an 8 Personal Year for you. This is a month with great potential for your career and finances, especially to increase your finances for the long-term.

It is a time to be aggressive and outspoken. Your authority is needed and you will have to apply yourself one hundred percent. However, there is another side to this month. You may feel that you have reached the pinnacle of your career, or that work and other areas of your life have become dull and monotonous. You may feel you need a break.

You are approaching a time of deep inner change. Several times during your life you have reached a point at which you need to break out of a cocoon. All

evolution is gradual, but periodically interrupted by sudden bursts of growth, or change.

Reese , you are at a stage in your life when you feel ready for such a change. However, you are not clear about the true nature of this change and, while you may feel inspired to force some practical changes now, you should approach this with care. Avoid impulsive decisions as well as any contractual arrangement that would tie you down for a long time.

You need to rely on your own strength and feel confident that you have a certain amount of control over your own future. You should relax and let things develop at their own pace.

Social events are highly favorable and there will be ample opportunity for that.

Jake, your Personal Month for September 2008 is 5

Jake, September is a 5 Personal Month in a 5 Personal Year. The hectic pace of last month continues. However, the nature of activities is quite different. You are challenged to keep up with events and influences that, at times, appear out of your control. If you can be flexible and adaptable, you will cruise through this month comfortably and successfully. Let old plans, expectations, and concepts go. Otherwise, stress may take a physical toll.

If you are willing to take the changes in stride and "go with the flow", you will find yourself in a better position in career as well as personal life by the end of this month.

This is an adventurous, dynamic, and progressive time, with less focus on details and routine stuff. Social events and romantic adventures highlight the month. The word "adventure" is the operative word: few romances that begin during this time have the emotional depth and substance needed to survive the test of time. However, any relationship begun now still has much to teach you about life and love, so be open to all the possibilities.

Be warned, however. Jake, you may have a tendency for over-indulging your senses this month. Moderation is wisdom.

Your health may cause you some concern. In most cases, this is the body reacting to changes that have taken place during the course of this year and are only temporary. If problems persist, seek the advice of health counselor or physician.

Your Personal Month's compatibility for September 2008 is 8 and 5

Reese and Jake, the influences and compatibility of this month's cycle are already incorporated in the compatibility as described in the section of this year's Personal Year cycle. An analysis of this month's compatibility is therefore redundant. You may, however, want to take another look at the description of the

compatibility of this year's Personal Year cycle, keeping in mind that the compatibility for this month will reflect the same influences.
